Mr. Julian D. Hayden

Tucson, Arizona 85712

Dear Mr. Hayden:

Don Crabtree has requested that we send available reprints of his writings for you to forward on to Sr. Manuel Robles O., Director of the Museo Regional in Hermosillo. Enclosed are reprints for that purpose. Unfortunately, these reprints do not represent the entirety of Don's writings; they are simply all we have available. I am also enclosing a bibliography of his publications. Should there be other articles which you would like to acquire, perhaps arrangements can be made to have them photocopied.

Sincerely yours,

Dawn S. Statham  
Museum Secretary
