Dear Don:

Thanks very much for your letter of the 11th. I appreciate your kind comments on the two publications.

We are gearing up for the 1980 season, which will run from January 14 to April 1, 1980. I hope that you will be able to come down again this year. I have set aside an airfare for you (in fact, we are arranging a pre-paid ticket). If you think you will be able to come to Colha, can you give me any idea as to just when it might be? There is no immediacy about this, and if you should have to change your plans, that will be no problem.

We had a good trip to Italy, and our friends there send their regards to you. They have made a nice 26-minute film of Belize and the project. There is a good sequence showing you and Glen Goode at your flint knapping.

I hope to hear from you soon.

Best regards,
