Dear Art:

Enclosed are the letter from Tixier which may give you some idea of his plans. Have written to him and said that I would go to Tucson as he requests but asked if he wanted to drive or fly.

Francois writes that he may not be able to come to Kimberly this trip as he is late arriving in Tucson. If not he tentatively plans to come back to Kimberly in Sept. or Oct. Anyway, the trip to Tucson will give me a chance to work with both men.

Will send some material from Battle Mountain which is quite workable and we all might want to try it.

Hope to see you soon.

Sincerely,

Don
