Dear Don:

I am delighted to hear that your physical condition is improving. That's always encouraging, to say nothing of the increased strength and resilience you will feel. I envy you the trip to Arizona and Baja, California.

I will retain the paper by Tixier, whom I have already written about participating in the modular series. He has not yet responded.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Jesse D. Jennings', with a large, stylized initial 'J'.
