Dear Mae:

Enclosed is a copy of the paper I read at the Calgary conference. Please note from the enclosed letter from Bea Loveseth that they wish to publish this paper. Also enclosed is a copy of instructions for typing etc. to submit this paper.

Will you please have Earl look this paper over, make any changes he deems necessary and then type same according to their instructions and mail it to Calgary.

I am sorry that I am late in sending this paper but had to get it from Rob and then came down with the flu and so am tardy. I note that they have a deadline for receiving same of Feb. 1, 1975. Hope you can make it.

We are so sorry about Norm Holve and do hope that the family is recovering from the shock. This is a great loss not only to the family but to the department and the University.

Thanks for the help on this paper.

Don
