Hi _____

Hope this finds both
of you in good health.
If no one comes your
way, I'll send the
copies of OP 28 soon.
Zeph is vacationing in
Arizona for a month.
He returned in November,
and is enjoying himself.
I can't envy him too
much as we have had
such a nice winter
here -

Luella + family are in
Las Vegas, San Diego, etc

ce.5.5.59

This week.

Things are about the same here - No major problems or changes.

Come & see us if you get down this way. I think of you often & fondly -

Mae
