.....Lawrence.....

Dear Don,

I received the copy of your letter to Western Michigan. It was very complimentary, and I greatly appreciate it.

Could I impose upon you for another letter, this time to the University of Ohio. All information should be on the enclosed copy of a letter Mr. Maddox sent to me.

Ohio picked my name out of the AAA EMPLOYMENT NEWS and wrote to me! That means that at least my interests and theirs coincide.

The same letter that you wrote to Western Michigan would quite nicely suffice.

Susanna and I would like very much to pay a visit to the School this summer; but time and duration will of course have to wait until everything with you (and us) is settled. The thought of seeing you, Idaho, and mountains of obsidian keep us going when all else fails.

Thanks again.

Paul
