

# A GET-WELL CALLER

ce. 6.1.48

So sorry to hear of  
your accident.  
Sending a few samples  
to enjoy until you  
get out again -

A warm "hello" -  
a handclasp, too,

A friendly smile -  
and then

A hope it won't be long  
before

You're feeling well again!
