

Don,

Hope you have recuperated from your illness of this summer. Quentin + I think of you often and wish Idaho wasn't so far away. We've enjoyed the obsidian and seem to have a good enough supply for now. Still working on my thesis and trying to incorporate the ideas from our discussions. Hope to see you down here in the land of forests + crummy cherts soon.

Best wishes.
Larry Kimball

Remembering you is one of the special joys
of the season.

MERRY CHRISTMAS

Happy Holidays
