MR. DON E. CRABTREE

Idaho State University Museum,
Pocatello, Idaho,
U.S.A.

Dear Mr. Crabtree,

We are very glad to inform you that our son, HIROAKI returned safely to our home on August 19 from Honolulu.

He reported us with pleasure and boast on many things, which he had experienced during his stay in West America, especially in Twin Falls. He and us, Me and my wife, express our sincerely thanks to you and other school companions for their hearty welcome and cooperation given to him.

We, especially HIROAKI, shall not be able to forget on this memorable Flintworking School, during our life.

He must have improved on his knowledge and humanity more and more through this school, we believe. Immediately after return to Japan, he could not remember Japanese and he is eating so famous HUNGER every day, of course, he has gotten CERTIFICATE of MERIT granted by you and other friends.

He is now very busy to arrange various Gatas he got at the school and must report them to his professor Mr. Serizawa and his companions. He will start go Sendai to attend his Tohoku University, on early September.

To close this letter, according to him, we are very very sorry to hear that you wife is in serious illness, and we sincerely pray to God for her recovery. Please kindly regards to her, and we again say Many Thanks to you and your wife, and other happy companions.

Thanking you,

Yours Faithfully,

Hironi Kobayashi.
