Gentlemen:

Enclosed please find 12 slides which I would very much appreciate your making copies of for me. I realize that this request is a little out of line, but our local companies do not send them to you for reprint and here they do just terrible work. These are to be sent to the University of Adelaide at a later date and I would very much like to have good copies - therefore am sending them to you.

Enclosed is a check in the amount of \$3.00 for this work. I believe this will cover the cost but, if not, please advise me of the difference. Copies can be returned to me at the above address.

Thanking you in advance for this favor, I remain,

Yours very truly,

Don E. Crabtree
