Dear Ruthann:

I thank you so much for the honor to be affiliated with the University of Idaho. The State of Idaho has such vast resources of yet untaped archaeological knowledge of the prehistory of man and I welcome this opportunity of participation.

I will look forward to meeting Dr. Hartung and Mr Kilsgaard at their convenience the eighth or ninth of December.

I am sorry that the pictures leave much to be desired. Ruthann I am so grateful to you for making this effort to help me and do hope that I will be able to reciprocate.

With warmest personal regards,

*Don*
