Dear Don:

In talking with Arlie White, he has asked that you submit a budget for the remainder of the grant period for his use. He has asked that you do not include travel, salaries, nor books. I believe the money is to be used primarily for publications costs. He wants the budget as of July 1, but since time will not permit, please do send one as soon as possible.

If you have any questions or require any help, please call or write and I will endeavor to give you what assistance I can.

Sincerely yours,

Vernon A. Lestrud  
Executive Assistant to the President
