

Dear Don,

Feb. 13, 1978

Thank you again for the two spectacular arrowheads you gave me. I am wearing them as necklaces now and receiving many compliments — for which I give you full credit!

I enjoyed our interview sessions and feel enriched from knowing you.

My family and I are enjoying

the fine sense of humor you display  
in your avacado pit carvings!  
they are so unique!

Have a happy Valentine's  
Day!

Sincerely,  
Gene Hunt
