Dear Don:

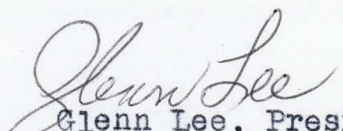

The selection of Mr. William Statham as the student to receive the AFMS Scholarship Foundation Grant sounds like an excellent choice. Since he plans to attend the University of Oregon, Dr. Swanson should contact them in this regard as our grants are made to the school for the account of the student.

Dr. Lloyd Staples, Dept. of Geology at the University of Oregon, was our first Northwest Federation Honorary Award winner, and I am sure he would be glad to offer any assistance that might be needed.

If I can be of any further assistance, please write.

Sincerely yours,
