Dear Ev and Don:

I am very pleased to tell you that my proposal to N.S.F. has been funded and I am off to the Philippines to undertake a year's field research among the Kalinga of northern Luzon. Needless to say I am very excited and, as you can imagine, very busy. I hope to leave Tucson on September 1st.

I am not certain of an exact address as yet, but for the time being I will receive mail in care of the Department of Anthropology, University of the Philippines, Diliman, Quezon City, Philippines.

My best wishes for the coming year and I look forward to seeing you when I return.

Sincerely yours,

*Bill*
