

Get Well Soon

Stone

Hi Don —

Not sure if you are still
in Hospital or not. but
thought we would mail it
there anyway.

Hope you are feeling
lots better by now. Seems
everyone around here has a
cold or Flu. Weather has been
quite damp + foggy - maybe we
need rain!

Got a nice letter from

Here's a get well greeting,

And good wishes

by the score...

For news that you are better,

And feeling fine once more

Virginia - she keeps us posted
on you. Don't go home till
you are strong, so take care!

Love - Doug + Ruth
