Friends,

Hope card finds you both well and happy, as it leaves us. Went back to work in June, part time, for the Magic Valley Electrical Supply, in Twin Falls. It's a wholesale outlet for Electrical Contractors. Couldn't let the brain completely rust away! I only work from 8 AM to 1:00 PM. Love every minute of it. But with my house-canning and keeping books for two individuals at home, can't seem to find enough hours in a day. How are you both? Kathy and I still talk about getting over for a visit but talk is all we get accomplished. Anyway, I want you to know I think of you often, it's my privilege to have your friendship. May you enjoy a Happy Holiday and Peaceful new year.

Love
Peg (Morgan)

Among our Christmas blessings, those we hold most dear
Are memories of happy times we've had throughout the year.

And so, it's not surprising that as the old year ends....
Our hearts are filled with gratitude, and loving thoughts for friends!

MERRY CHRISTMAS!.....HAPPY NEW YEAR!
