Dear Donald,

Today, I read in a publicity  
of Idaho publication that you had  
been awarded an honorary doctoral  
degree. This was great news, for  
I know of no one who deserves  
this more than you. My  
gratulations and best wishes!

Gene Perrine came south to  
spend a week with me, this  
past month. We spoke of our  
enjoyable visit with you.

Gene is about to take off for  
another trip to Japan.

I do hope this finds you  
in good health and enjoying  
life.

Sincerely,  
John.
