Date: 9.6.78.

Mr. Don E. Crabtree,
Idaho Museum of Natural History,
Idaho State University,
Pocatello, Idaho 83209
U.S.A.

Dear Mr. Crabtree,

It was extremely kind of you to ask Mr. ~~Crabtree~~ *Harten*
of your Museum to send me 7 publications of your dealing
with different aspects of your experimental work with
flint implements. I am looking forward to reading them
soon. The publications will be very useful to me and
my colleagues for our teaching and research work.

With kind regards,

Yours sincerely,

(V.N. Misra)
