

Season's
Greetings

Don

I hope this finds you in reasonably good health. Our best wishes that you may enjoy a fine Christmas and all the very best in 1980. Your summer course here will be a highlight for us for many years to come. We were away in November - out to the coast - but weren't able to go south to Twin Falls this time.

Cheers,
Terry.

with best wishes
for the
New Year
