Mr. Don E. Crabtree,  
Route #1,  
Kimberly, Idaho.

Dear Don:

I wrote a brief note to Earl several weeks ago; I wonder if he got it. In it I made it clear that I did not want to interfere with any arrangements that he has already made. Will you be sure to make it clear to him that your trip down here will be with his permission and best wishes. If you want me to write him I can easily do so. *Set me know what I should do.*

I note that Bill Longacre has written you and has offered you an honorarium of \$100.00. The honorarium that I offer you is \$200.00. I hope that with these two sums you will have ample monies to cover your expenses. If not, let me know.

I don't remember whether we made a tentative date for your coming here, but we would be very glad to have you come whenever convenient. Can you let me know soon if you have any idea as to when this might be?

I count it as my good fortune to have met you in Reno, and we are honored that you will consider coming down here.

As ever, your friend

Paul S. Martin
