Dear Don:

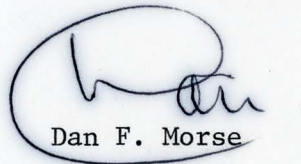

Enclosed is a copy of a paper to be submitted to the Florida Anthropologist.

I would very much appreciate your comments.

If you wish I can loan you examples of Cahokia and Jaketown cores and blades and probably can get Louis Tesar to loan you The Palm Court artifacts. However, I feel you ^{are} and probably pretty busy and do not want to take too much advantage of your good nature. On the other hand, I thought this was something you would like to at least know about.

I would like to have this copy returned unless you want to keep it for reference.

Sincerely yours,

Dan F. Morse
