Dr. Dan Morse  
Drawer 820  
State University, AR 72467

Dear Dan:

The possibility of a Crabtree visit is exciting and we are certainly for it. Our Department has some funding for visiting lecturers and I assume that the graduate student committee in charge of selecting speakers for next year would be interested. We have a lecturer's fund of about \$2400 and we could kick in several hundred dollars toward the visit.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Mike'.

Michael P. Hoffman,
