Re: Reprints of your article published in the World Anthropology
series

Date: 29 November 1976

I apologise for the long delay in getting these reprints to you.

Due to an administrative oversight, an insufficient number was made at the time of publication and we have not been able to send a complete set of the reprints to everyone until now.

You will remember from our note enclosed with your free copy of the book in which your paper appears, that unfortunately we are not able to offer you more than the 25 reprints.

Once again, many apologies for this delay.
