Dear Don:

As I recall you did attend one meeting of our Magic Valley Branch of the Scientific Research Society of America (RESA). Our group is very interested in your studies in Idaho and elsewhere and would like for you to give us a talk at a meeting. We meet the second Thursday of each month and we would like for you to be with us on April 14th.

Your recent trip to Mexico would be of special interest but of course many other subjects would also be well received. Please let us know if you can be with us on April 14th.

Very truly yours,
