Dear Mrs. Myles:

Thank you for your letter of April 2nd and the invitation to attend your meetings in Reno. It is with much regret that I must decline this invitation to come to Reno this Fall, but my work here and at the University leaves me little time for travel. I have not forgotten what wonderful hosts you people are and it would be good to see all of you again.

Since I can not attend - may I make a suggestion. That you show some of our flintknapping films which really show greater detail than one can see in the audience. We have finished four of these films at I.S.U. and, if you are interested you can write about renting them to:

Dr. Earl Swanson
Idaho State University
The Museum
Pocatello, Idaho 93201

He will give you details and prices. Perhaps those who were not present at the past demonstration would like to see some - or all - of these films.

I send my best to all you fine people of the AM-ARCS and thank you again for the invitation.

With best wishes,

Don W. Crabtree
