Dear Don and Ev:

The paper by Harington and Irving arrived several days ago and was most welcome. I am glad to have this on file.

Ed Wilmsen was here last week and had just passed his doctoral exams at Arizona. He was on his way to excavate at Lindermeier. He hopes to meet with you soon.

Joe Traugott is making good progress with his analysis of projectile points.

We all talk about you often and remember your visit with great happiness.

As ever, your friend,

Paul S. Martin
