

Route 1, Box 210  
Kimberly, Idaho 83341

Sept. 25, 1974

Dr. Tsugio Matsuzawa  
National Centre for Archaeology  
Saki-chyo, Nara City  
Japan

Dear Dr. Matsuzawa:

Please excuse the tardy reply to your letter of Sept. 8th. I have delayed answering until I received confirmation of the meeting dates in Calgary, Canada.

I am informed that the meeting will be held from November 15th to November 18th which will mean I will be available by November 20th. Believe this will coincide with your plans to visit Los Angeles first and then return via Twin Falls, Idaho.

You are quite right about the route to Twin Falls - or Kimberly. Take any plane route to Salt Lake City - then Air West to Twin Falls, Idaho. The airport is only about eight miles from my home and if you will advise me of your arrival date, time and flight number I will arrange to meet you at the airport.

We are looking forward with pleasure and honor to your visit and the opportunity to compare and discuss stoneworking techniques.

I do hope you and your family will have a most enjoyable visit to our United States. I know your little son will enjoy Disneyland and might mention that there are motels available just across the street from the site.

With best wishes,

Don E. Crabtree

P.S. Just met our local program director for our T.V. station, K.M.V.T. in Twin Falls. He would like very much to interview you for television during your stay in Twin Falls.
