Dear Sir :

Thank you very much for your letter of June 23rd regarding binding of my book. I am enclosing the book in question and know that I will be more than pleased with your work. I was referred to you by Dr. Earl Swanson of the Idaho State Univ. for whom I work.

This is a thermofax copy of a book that is out of print and I do hope that this can be bound. When the work is completed, please return it to me with bill enclosed and check will be promptly sent for your cost.

Thanking you in advance for this work, I remain,

Yours very truly,

Don E. Crabtree
