Mr. Don Crabtree  
Route 1  
KIMBERLEY, Idaho

Dear Don:

It was good to chat with you briefly on the phone yesterday. My plans are now firm and all I depend upon now is suitable weather to make sure that I get there.

We will be arriving in Pocatello late on Monday and hope to spend some time with you during the ensuing three days.

Best wishes as always.

Cordially yours,

*Bill*
