Dear Mr. Enaktree - Miss Ann
Anderson, Dr. Paul Martin's Secretary,
has written me a note in which
she mentioned that Dr. MacKenzie,
my husband, might be interested in
the use of Stone in Surgery. Since
my husband is a Surgeon, could
you tell us a little about it? I
hesitate to impose upon your time

and good will and
Thank you very much
indeed for anything
you can tell us -

Most Sincerely -

Billy G. Mackenzie
