Dear Mrs. McCarthy:

Would it be possible for me to subscribe to, or be put on the mailing list to receive the BAE bulletins and/or Smithsonian Contributions to Anthropology and/or Annual Reports of the Smithsonian? Senator Frank Church has sent me some of the annual reports, but I have none of the BAE bulletins. If it is possible to get some of the older ones, I would appreciate a list of those available and the cost.

I am currently a member of the faculty of Idaho State Univ. at Pocatello, working at my home at the above address. I am working with Dr. Earl Swanson under an NSF grant to compile a history of the lithic techniques of the primitive peoples, and feel that these bulletins would be of great help to me as a reference.

Any information you can give me regarding obtaining these books will be greatly appreciated and may I take this opportunity to thank you in advance for any help you may give me.

Yours very truly,

Don E. Crabtree
