

To All Sigma Xi Members -

You will be sorry to hear that Dr. Arthur Hounslow has left our campus and will therefore not be serving as president of our chapter this year. To fill this vacancy, Dr. Barry Parker has graciously concented to stay on another year as chapter president.

Our most recent membership list from the national office, indicates that some of you have not paid your dues. You will be kept on the mailing list for the fall mailings and then dropped if your name does not appear on the January printout.

Dr. J. T. Ulrich has organized an exciting program for this fall. We hope you will all mark your calendars.
