Dear Mr Crabtree,

Extreme thanks for your letter and especially for the big packet of reprints, featuring the hard-to-get TEBIWA papers. I sure hope we'll have the opportunity to get together--here in Pittsburgh (you might be interested in seeing Dragoo's "pebble-tool" stuff at the same time), and certainly if all goes well, in Yugoslavia (where the swimming is extremely fine).

Best regards,

sincerely,

Alan McPherron
