Dear Don,

sorry I haven't written sooner but I have been rather busy. I'd hoped this letter would be the final report but I just haven't gotten to that yet. Next week for sure!!!

Wish Evelyn a Happy Birthday for me, I know its around this time of year & she, like me, would probably just as soon not acknowledge another one.

I've heard from Irv & he is off to study Mayan lithics on a Ford funded tropical vacation for 5 months

Karen has been working chert so much that she just shattered her first piece of obsidian. Carl is in Canada

and says he will be down in about 2 wks.

Doug has most of his thesis on paper and has been reading it to Dr. Swanson.

I have found 3 illustrators who, with a little training could do the illustrations for the glossary I think. We'll (you, Dr. Swanson, & myself) have to sit down together one day & decide on the one's needed and which kinds are best.

What have you heard from Tulane?

Finally, I'd like to Ask a favor of you. I need a letter of reccomendation for acceptance to the graduate school at pullman. Could you provide one, with a copy to me, and one to

I would certainly appreciate
it. You know, better than
anyone my stove working strengths
and weaknesses, as well as
personality, character etc.

Well, ... must rush now,
I'm doing some final work for
bob + he is a hard task-master -

Later -
Guy.
