Dear Don:

This is just a note to let you know that the thesis will be arriving shortly under separate cover. I hope as a package it is as pleasing as it was in sections.

Let me know what is needed special for the school, other than what we have talked about. We'll probably set up camp the first of July, and I intend to visit Howard Johnson to see what sort of shape he wants the campsite left in.

I will be in touch with you the first part of this week.
