Kimberly, Idaho 83341

Dear Don:

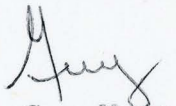

The Department of Anthropology at Washington State University at Pullman is organizing a Visiting Lecturer Seminar to be held during the spring semester of this year. We plan to have a series of meetings on specific topics of interest to archaeologists. For each three day session, we are inviting three or four specialists to meet with our students and faculty. Each participant will make an introductory presentation on a phase of his work and interests, participate in a formal seminar and in informal demonstration and question and answer sessions.

We would greatly appreciate your participation in the seminar on Lithic Technology which is tentatively scheduled for Monday, Tuesday, and Wednesday, May 29, 30 and 31. Our dates are relatively flexible at this point, and could be changed if this is inconvenient for you. ~~We~~ are also inviting Francois Bordes and Bruce Bradley to participate in this session.

The department can offer you an honorarium of two hundred dollars (\$200.00). In addition to this, your transportation and accommodations while in Pullman will be provided by the University.

I hope that you will give our offer serious consideration. Please let me know if these plans are convenient for you.

Sincerely,

Guy Muto
