Mr. Julius Unger
6401 24th Avenue
Brooklyn, New York

Dear Mr. Unger:

My check for 11.00 is inclosed. I should like you to send me Astounding, April and August 1930, February 1931, and September 1940, if you still have them--only, however, if they are copies with covers, in good, clean condition.

Thank you for remembering my request, also for forwarding the card to Doc Smith.

Sincerely yours,

R. W. Dodson
