

Nov. 23rd, 1933.

My dear Richard: I've  
received your letter and will  
answer at length when I  
have the opportunity. Glad  
you like Quaroborof. I  
know nothing about the  
author but suggest that  
you write him a letter in  
care of the publishers  
asking them to forward it.

If you want to read  
some fine ornate writing,  
look up my tale, The  
Lemon of the Flower,  
in the Dec. issue of  
astounding stories.

Thanks for the good  
photo - I'll try to  
reciprocate some  
time.

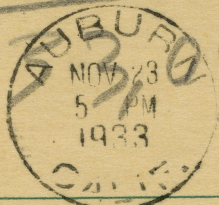

Yrs cordially  
Clark Ashton
