

Starbuckson,

I'll be delighted. Send
it along. Also I'll send
him a curiosity - the new
Edition of "Moon Poet". The
man is new so they didn't
want my "villain" a German.
Ponced von Hatzdorf - I
return thank him a villain.
But I changed him to
a Russian - Makaroff -
Same number of letters for
changes in plates etc.
Soviet philosophy. But
I missed a page & at the
end the puzzled reader
finds Max. Suddenly
changed into von - this
as the old story goes, -

up to them had taken
no part in the
Conversation.

THIS SIDE OF CARD IS FOR ADDRESS

Richard Jackson

Also, if
you like,
I'll send
you one
for Christ-
mas pres-
ent. The
jacket of
the book is
damned good
