Honorable A. B. Curtis
Mayor of Orofino
P. O. Box 546
Orofino, Idaho 83544

Dear Mayor Curtis:

As part of our planning for development and management of Dworshak Reservoir, we would like to hold a public hearing in your area to present our tentative plans and to obtain local views and ideas.

We understand that you schedule use of the Armory, in which we would like to hold this meeting. The dates being considered are 29 April 1969 (first choice), and 30 April or 1 May as alternates. This would be an evening meeting.

OK
OK
Bard by week out was
Sull

Can you tell us if any of these dates conflict with significant community activities and if the Armory can be made available at one of these times? We would also like to know if chairs are available.

Your assistance will be appreciated.

Sincerely yours,

H. L. DRAKE
Chief, Engineering Division
