Mr. George H. Rauch  
President  
Clearwater-Fotlatch Timber  
Protective Association  
P. O. Box 546  
Orofino, Idaho 83544

Dear Mr. Rauch:

This concerns longstanding pending application of the Association to lease certain Dworshak Reservoir lands on Breakfast Creek for a replacement headquarters site for Boehl's Cabin.

Yesterday you informed our Mr. Owen L. Coombe that you wished to withdraw the application because a replacement site off Dworshak property had been selected by the Association. Accordingly, the Corps will close its file on the Association's application to lease land on Breakfast Creek.

Copies of this letter are being sent Messrs. Koppang and Curtis.

Sincerely yours,

ROBERT J. GIESEN  
Colonel, CE  
District Engineer
