Walla Walla Chamber of Commerce
Robert Loudon & Robert Whitney
Walla Walla, Washington

Dear Bob:

It was mighty thoughtful of you to write on June 16th and I certainly appreciate your letter. Chamber of Commerce people are SPECIAL people and certainly know how to build good will and friends.

It was my pleasure to see you here and I hope that you will come again. After all it is not far to Walla Walla and we certainly do have many things in common.

Thanks also for the thoughts on sending me a copy of the Union-Bulletin. I see this media once in awhile and have a very high regard for the publication. I will be away for about a month starting Monday, in Scandinavia, but this will be nice to see when I return. Will bring back good memories !

Thanks again !

Sincerely,

b

A.B. Curtis, Mayor
