Dear Senator Jordan:

This letter is to confirm our telephone conversation pertaining to your visit in conjunction with Senator Church to Dworshak Dam on 19 August. As I mentioned on the phone, I have asked Mr. Franklin Jones, President of the Pacific Northwest Conservation Council, to accompany us on the trip downstream on the Snake River and to Dworshak as well. I have made arrangements to be accompanied by one member of my staff and have also taken the liberty of asking Mr. Bert Curtis, the Mayor of Orofino, to join us during the tour of Dworshak.

As you suggested, I have scheduled a 7:00 AM departure from the Boise Airport with an expected return there about 6:50 PM Boise time. The more detailed itinerary is attached, and I hope this meets with your approval. If you have further questions, please feel free to phone me.

Sincerely yours,
