

Office of the Chief of Engineers
Washington, D. C. 20314

22 June 1973

Dear Mayor Curtis:

I would like you to know how thoroughly Mrs. Rollins and I enjoyed the hospitality of your fine community during our recent stay for the dedication of Dworshak Dam. We were particularly delighted to be able to spend some time with you and Mrs. Curtis.

As probably the most steadfast and dedicated of the Dworshak Dam advocates, you deserve to have felt particular pride and satisfaction on the 15th of June 1973. Your handling of the supper on the eve of the dedication as master of ceremonies was superb and reflected your leadership in making Dworshak a reality.

Congratulations and many thanks for your efforts in making the Corps' job a great deal easier.

Sincerely,

A. P. ROLLINS, JR.
Major General, USA
Deputy Chief of Engineers
