LAKE MEAD RESERVOIR LABOR DAY

1960

Last year 3,000,000 people visited Lake Mead

Labor Day 1959 - 65,073 people visited Lake Mead

This at \$26.50 per day would be \$1,724,434.50. These visitors were picnickers, campers, swimmers, water skiers, boating fans and fishermen. 4,731 people transported their boats and launched them at Lake Mead on Labor Day.

900 plus were cruising from permanent moorings, making a total of 5,631 boats on Lake Mead last Labor Day.

This facility with Lewis Clark Highway can certainly be something worth working for.
