Dear Mr. Smith:

Thank you very kindly for your letter of January 5 which contains a draft bill providing for the construction of the Bruce Eddy project which we are so interested in.

The bill looks very fine and, of course, our principal purpose is to get something that you can work with. So far as we are concerned, we want Kinsey Robinson's outfit in the Clearwater and can't see anything to be gained by a public monument. We feel that having some bread and butter on the table is more important than something to look at. Thanks again for sending this over. I wonder if Kinsey has a copy of this and does he plan on a sponsor soon?

Very truly yours,

A. B. Curtis, Mayor
