My dear Mr. Fisher,

I have just received your letter. Your father had the respect and confidence of all of his comrades in the Fremont campaign and it is needless to say that I will be glad to do all that is possible to obtain recognition of his services.

I had "over" now so long ago, however, that it will take a little time for me to look up dates and details. But I will do this

promptly and com-  
municate with you  
again.

Yours sincerely  
Robert N. Fletcher
