
Our thoughts and prayers go out to Ruth Weber, son Bill and daughter-in-law Musette, daughter Ann and son-in-law Bob, and grandchildren Bill and Suzanne, and Morgan and Hilary. Bill was called to his heavenly home on Tuesday evening, March 11, 1997. Funeral services will be held tomorrow, March 17, at 12:00 noon here at the church. Viewing will be at the Webb Funeral Home this evening from 6-8:00 pm and tomorrow from 10-11:30 am.

As one bulletin writer to another, I write these few thoughts to Bill. I remember coming to church on Sunday mornings to find bulletins truly "hot off the press". Bill would be in the back room cranking the old mimeograph machine. As hard as it is for me to find the words to express these thoughts, I keep thinking "at least I don't have to type it backwards!" Excerpts from Bill's bulletins grace our family scrapbooks. He always had the most eloquent words to express even the most ordinary events in our lives. Many people have expressed it; Bill is truly the nicest, precious, most gentle man we have ever known. Bill's abiding love for our Lord shown through in everything he did. We'll miss you, "Uncle Bill", but you live in our hearts forever and dwell in the perfect peace everlasting.

He sang at His bench in Nazareth
While His strong young hands took hold
For a shepherd neighbors fold
Into His hands on Calvary
He took the nails again,
To make the door which
Leads to God
Wide for His fellow man.
